

Photo Printing Workshop

Sponsored By Canon Australia And Camera Electronic

6:30pm 17th October 2017

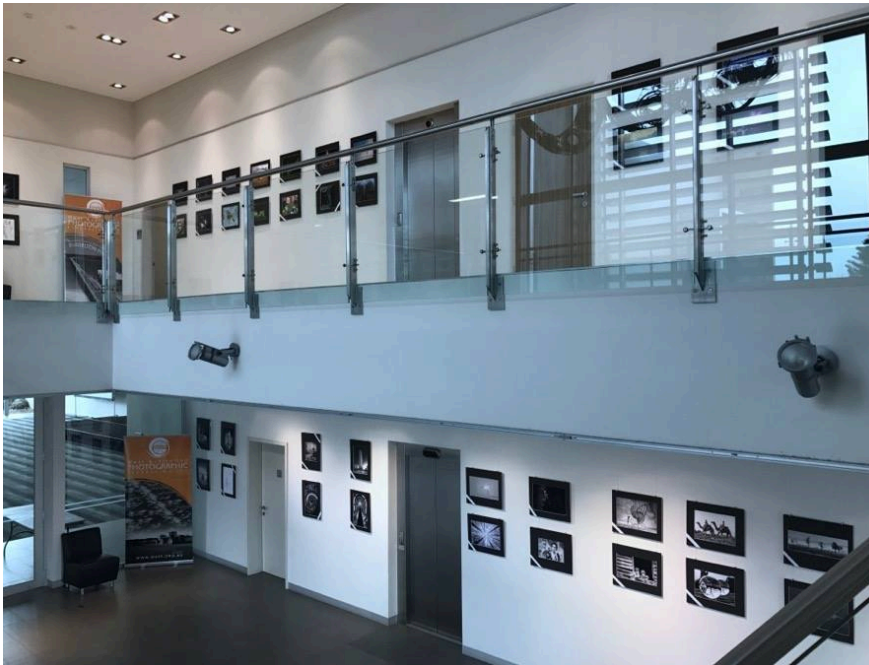

Image and Bio:

www.adammonk.com

Adam Monk is Fremantle-based nature photographer with 23 years professional photography experience.

Adam brings a wealth of photographic production knowledge to the workshop. Adam's full biography is at available at www.adammonk.com.

Seeing your own images printed and on display can be extremely rewarding and provide an enormous sense of accomplishment. Come join nature photographer Adam Monk and Canon Senior Account Manager Sheryl Mauger and learn how to create stunning printed photographs.

Adam will cover all aspects of the photo printing process.

During the evening there will be opportunity to print one of your images on A3 or A2 sized paper. So please bring a high quality high resolution image on a USB drive. A high quality JPEG or TIFF file would be suitable.

The workshop runs from 6:30pm to 9:30pm at the Gary Holland Community Centre in Rockingham (club meeting room), with a coffee break half way through.

There is a maximum of 25 places available. The cost for the workshop is \$25.00, which includes one A3 or A2 sized print.

If you have any questions, please contact Phil Ashton using the contact details on the RPC web page.
